

I'm glad that you've found your way to me. Please feel very welcome.

I hope we will have the opportunity to meet.

Yours, Claudia Müller.

Are you looking for an accompanying, alternative and/or spiritual healing method?

I offer you my skills as a Spiritual Healer. I inherited this natural gift from my family in my early childhood.

My healing methods exists out of **spiritual healing, therapeutic touch, subliminal YAGER therapy,**

kinesiology and **energy treatments for strength and relaxation.** You can also

Do you have the following symptoms /conditions?

I propose to you...

...to accompany you on your personal path as a consultant and helper on time.

The individually tailored treatments take place in a relaxed and trusting environment and serve to activate the natural self-healing forces and the self-determining design of your own life. They are suitable for both adults and children.

My work does not replace the diagnosis and/or treatment of doctors, alternative practitioners and other recognized therapists. I can not guarantee the promise of healing.

ENERGETIC HOUSE CLEANING

For our health and well-being, it is essential that we be surrounded by healthy and harmonious energies.

However, earth's natural energies, like e.g. water veins, „artificial“ created energies, like e.g. high-voltage-lines or wifi, historical factors, etc ... can impact our environments and thus our physical and psychic balance.

Signals of a probable imbalance:

Stress, insomnia, physical injuries, restlessness, depression, nervousness, relationship problems

Declining customer base, turnover, late payments, difficulty selling or renting a property, ...

Why do an energy cleaning?

- to make your place of residence / work a healthy and rejuvenating place and to feel perfectly well
- to help unlock the sale / lease of a property
- to give a boost to your business / activity

What is the the content of energy cleaning of a place?

Interview and definition of needs / objectives

Research and analysis of imbalances

Correction and reharmonization of energies

Feedback and sharing on the work done
